- **OSEHRA Code Convergence Work Group**
- **PriceWaterhouse Coopers**
- **UPMC**
- **US Department of Veterans Affairs**
- **VISTA Expertise Network**

Areas Considered for Alignment

These items are in scope for our initial 3-month effort:

- **MSC Fileman 22.2**
- **Kernel**
 - **Cross-Platform Compatibility**
 - **Kernel Toolkit**
 - **Mailman**
- **Testing Tools**
- **Terminology and Master File Updates**
- **Meaningful Use**
- **Pharmacy (including MOCHA adoption)**
- **PIV Card & Other 2-Factor Authentication**

Near-Term Roadmap

These items are in scope for the May 2015 phase:

- **Identification of packages with few divergences, for accelerated reconciliation**
- **Development of adaptive strategy for MOCHA**
- **Convergence of RPC and M-to-M brokers across VistA distributions**
- **Improvement of SAC compliance warnings in XINDEX**

Key Dates

- **Workshop: November 19-21, 2014**
- **Fileman Reconciliation:
December 6, 2014 – January 5, 2015**
- **Sprint 1: January 7-31, 2015**
- **Sprint 2: February 2-21, 2015**
- **Sprint 3: February 23-March 14, 2015**
- **Final testing and acceptance: March
16-31, 2015**

Visualizing VistA and Namespace

- **Expansion and Refinement of ViViAN continues**
- **Current Capabilities**
 - FOIA VistA, DSS vxVistA
 - VistA Menus, Package Dependencies
 - VHA BFF Demo (Business Function Framework)
- code.osehra.org/vivian

Open Source EHR Microsite

- **Conceived to promote open source EHR solution independent of branding**
- **Funded by member contributions**
- **www.osehr.org (just drop the “a”...)**
- **Part of an ongoing campaign to raise awareness of the open source EHR alternative**

OSEHRA Forum

- **Essential to product management of OSEHRA VistA**
- **Improved (open source) version of VA Forum**
- **Capable of managing multiple patch streams**
- **Targeted for Q2 2015**

MOCHA Advocacy

- **Representing community concern and interests**
- **Unilateral VA action with significant community impact**
- **Working to identify and certify an open source adapter solution**
- **Also working larger cultural issue with VA and other community members**

ANSI Standard for Software Quality

- **OSEHRA in last stage of accreditation process**
 - One-month mandatory ballot
- **Will be forming Standards Work Group**
 - Membership will be open
 - Responsible for preparation of draft standard
- **Goal: Standard for quality of open source healthcare software by June 2015**

Summary

- **Continued growth in membership and breadth of services**
- **Exciting possibilities for 2015**
 - OSEHRA Vista Core
 - OSEHRA Forum On-Line
 - National Standard for Open Source Software Quality in Healthcare IT
- **2015 Summit July 29-31, Bethesda MD**
